## PARQUET, WOOD FLOORS

## YOU CAN CHOOSE YOUR DESIGN

- type of tree;
- type of wood;
- almost any color and finish (oil, varnish);
- special surface treatment such as brush, wood aging effect, etc.;
- even your own design.

This is possible because we mainly work with individual design projects, combining manual work and technological equipment. In most cases, the production of an order takes 1-2 months.

If you need to get a plot faster - contact our manager about available parquet.
